Platinum Wedding Anniversary of Queen Elizabeth II and Prince Philip, Duke of Edinburgh (20 November 2017)

On 20 November 1947 the marriage took place of Princess Elizabeth and Philip Mountbatten, Duke of Edinburgh.

In 1972 HM The Queen and HRH Prince Philip celebrated their Royal Silver Wedding Anniversary. Great Britain and other countries issued commemorative stamps, but not New Zealand.

In 1987 The Queen and Prince Philip celebrated their Ruby Wedding Anniversary. Many countries released commemoratives, but not GB or NZ.

In 1997 The Queen and Prince Philip celebrated their Golden Wedding Anniversary. GB and NZ and many other countries issued stamps.

In 2007 The Queen and Prince Philip celebrated their Diamond Wedding Anniversary. As before GB and NZ and many other countries released commemoratives.

Now in 2017 Queen Elizabeth II and Prince Philip, Duke of Edinburgh are celebrating their Platinum Wedding Anniversary. This was an extremely significant event in the life of any marriage, and special sets of commemoratives have been issued by Great Britain and most other Commonwealth countries, including New Zealand.

Ours takes the form of six stamps printed using the usual four process colours with high-gloss litho varnish, and also silver foil, and this really stands out making for a bright and 'sparkly' set of six.

Designs:

\$1.00 - Engagement. The engagement is announced of Princess Elizabeth and Lt. Philip Mountbatten.

\$2.00 - Wedding. The wedding of Princess Elizabeth and Duke of Edinburgh.

\$2.20 – Family. Queen Elizabeth II, Prince Philip, Princess Anne, Princes Charles, Andrew and Edward, 1972.

\$2.30 – New Zealand – Queen Elizabeth II and Prince Philip in New Zealand, 30 January – 8 February 1974.

\$2.70 – Extended Family. Queen Elizabeth II, Prince Philip, Princes Charles, William, Harry and George, and Catherine, Duchess of Cambridge holding Princess Charlotte, Buckingham Palace balcony, 2016.

New Issue Notes (cont.)

\$3.30 – Seventy Years On. Queen Elizabeth II and Prince Philip watching the Trooping the Colour Ceremony from Buckingham Palace balcony, 2017.

Designed by Jonathan Gray, New Zealand Post, Wellington and printed by Southern Colour Print Ltd, Dunedin by offset lithography in the four process colours and silver foil with high-gloss litho varnish, perf 14½x14, six stamps in sheets of 25 and a six-stamp miniature sheet, on Tullis Russell 104gsm red-phosphor gummed stamp-paper.

New Discoveries Follow Up

Following the announcement in the January 2018 CP Newsletter of the discovery of a new previously unrecorded 1935 Pictorials Officials inverted watermark – the 8d Tuatara Official L010e(w) – long time Second Pictorials specialist Mr John Geary of Dunedin, knowing that he had quite a quantity of unsorted 8d Tuatara stamps decided to check through them and, would you believe it, he found a second example! His stamp has been confirmed as the correct perf $14x14^{1/2}$, watermark sideways inverted W.8b – so that makes two of them now known.

You know, chances are there are more still out there! How many more can CP Newsletter readers report?!
