### **The Market**

We continue to live in uncertain times due to the pandemic. Unfortunately, Auckland has borne the brunt of the lockdown in New Zealand. Since Mid-August, when we all had to stay home for the first five weeks, we have been able to come to the office to work, but could not see any clients. Now after nearly 3 months we can now start to see clients for valuations as well as auction viewing. Fortunately, we have been able to carry on doing mail order sales as well as hold online auction sales like our recent Odenweller Public Auction Sale. With people working or stuck at home the orders have increased a lot for all types of stamps and accessories. Many clients have been filling in those gaps in their collections for those missed years of collecting while others are buying those one off items off their 'wish lists'.

### **CP 2022 Supplements - Important Information**

We have been made aware that a batch of the latest supplement has a problem with the holes drilled incorrectly at the top. If you have received one of these supplements please contact us for a replacement set to be sent out. We apologise for any inconvenience.

### **New Listings & Information**

We want to thank all of you who took the time to e-mail us new items that could be potentially listed in the CP Catalogue. We will update this information in a future CP Newsletter once all of the information is checked and verified. Please keep sending us any further information on new finds.

### **Odenweller Auction**

The Public Auction Sale of the Odenweller Reference Collection was held online on Saturday 9th October. The sale was an outstanding success with 349 lots sold on the day achieving a 73% sale rate. The total sales including buyer's commission were \$780,429 - a company record.

This auction was postponed twice due to lockdown Covid-19 restrictions in New Zealand and took nearly 7 1/2 hours to run through due to the spirited bidding for lots – it was terrific to see so much interest and passion from collectors out there.

### **Royalpex 2021 Stamp Exhibition**

This exhibition has now been postponed three times due to Covid and is now scheduled to be held in Palmerston North between Friday February 25 and Sunday February 27, 2022. Campbell Paterson and Auckland City Stamps will have a stand at the show with both David and Nigel in attendance and we are looking forward to meeting up with clients at this National Exhibition.
