The New Normal

Things have changed around the world as we now learn to live with the current pandemic situation with many countries, including New Zealand now opening up for travel. More people are working from home and some are only going to the office for just a few days a week at the most. Businesses can be quiet on some days and then rushed off their feet for others. It's all a bit unpredictable at the moment. January and February saw a very quiet period in Auckland as people stayed at home. From March we have noticed a change in that people are wanting to visit the office, whether it is for a valuation or to do some auction viewing. The stamp market continues to be strong here and around the world with good sale results. Technology has helped those who don't want to or can't leave their homes with bidding or ordering online for their stamps/orders. We all have to learn to be adaptable in these interesting times and we are encouraged to see so many of our clients embrace new technology as we introduce it – in particular live on line bidding which is now a normal part of Auckland City Stamps Public Auctions.

Major Public Auction in June 2022

Auckland City Stamps will be holding a Major two day Public Auction which will feature the outstanding Full Face Queen Collection formed by the late George Branam in the 1960's and 1970's as well as other New Zealand Stamp Rarities. The Full Face Queen Collection is of a very high standard of items both in stamps and covers. The Auction will be held on Saturday 18th June and Sunday 19th June 2022. Please register your interest with us to receive a catalogue for this important auction.

Campbell Paterson New Supplement

Work is progressing on this year's annual supplement which will feature updates on much of the early stamp sections including Full Face Queens, 1898 Pictorials as well as the 1935 Pictorials. We expect to publish the new supplement by the middle of this year.

New Zealand National Stamp Exhibition

The next New Zealand National Stamp Exhibition, WPS100 is to be held at Te Rauparaha Arena, Porirua, Wellington and has been rescheduled to 11-13 November 2022. The exhibition celebrates the 100 years of the Wellington Philatelic Society. We look forward for New Zealand to hold another National Stamp Exhibition and to seeing clients later in the year. It certainly has been a long time since we have been able to attend an exhibition and we are very much looking forward to it.
